<u>All programmes</u>	4.000,00 EUR	4.000,00 EUR	4

The table shows tuition fees for one year of study.

Citizens of the Republic of Slovenia, citizens of the European Union and the citizens of the states which have signed international agreements with the Republic of Slovenia, who have the right to tuition-free studies in the Republic of Slovenia, do not pay tuition fees for full-time studies at the state-funded Bachelor's and Master's study programmes (marked with **).

The citizens of the Republic of Slovenia, the citizens of the EU member states and the citizens of countries which have international agreements with the Republic of Slovenia are required to pay tuition fees for full-time studies if they have already achieved a level of education equal to at least the level of education acquired according to the study programme in which they are enrolled, or have not yet achieved a level of education equal to at least the level of education acquired according to the study programme and no longer have the student status at the previous study programme in accordance with Article 70 of the Higher Education Act.

The tuition fees for students enrolling in their further year of studies and the tuition fees for students repeating the same year of studies are equal to the tuition fees valid at the time of the student's first enrollment into the respective study programme.

The payment of tuition fee is allowed in two equal installments - the first installment is paid upon enrollment and the second by the end of January.

Costs of using e-services and annual library membership fee

Costs of using e-services and annual library membership fee/per year	15,00 EUR
--	-----------

The costs of using e-services and annual library membership fee must be paid upon enrollment at the University.

School of Arts price list

The price list is valid only for students of the School of Arts who have extended their status after the last semester and for students without student status.

Course	Price
Theoretical colloquium (courselet from the theoretical module) (subjects without consultations, e.g.: History and Theory of Arts and Media, Discourses in practice...)	70,00 EUR
Practical colloquium (courselet from practicums) (supporting courselets, e.g.: Drawing from the Creative Practicum module, Editing from the Techniques in Practice module)	100,00 EUR
Creative assignment from Support modules, SUPs and Studios (consultations, use of equipment, etc.)	200,00 EUR
Diploma project	600,00 EUR

The price list covers the costs incurred by the school with individual students who extended their status after the last semester and for students without student status, according to his / her individual obligations, if students do not fulfil obligations during regular enrollment in the last year of study.

Students who have extended their student status after the last semester pay the fee when they register for an exam or colloquium or before starting the first consultation in the new academic year. They pay for the Diploma project before defending the diploma.

Students without student status must register and pay for the Diploma project before the start of the academic year.

Payment is valid for the current academic year.

Validation of the price list

The price list amendments were approved by the Managing Board of the University of Nova Gorica on 12th April 2023 and is valid for the enrolment into 2023/2024 academic year onwards, until further amendments.
