The following steps must be completed before the application is finalized:

1. Selection of call for enrolment and type of application
2. Personal information
3. Details of achieved qualifications
4. Data on desired study
5. Supplemental documents
6. Review and submit the application

Special note: candidates will need to enter the eVs web portal during application period, therefore it is necessary to retain the username and password for eVs web portal!

**Additional note:** Higher education institutions must conduct a direct interview with any foreign citizen coming from a country with higher migration risk and whose citizens must have visas when crossing the external borders of the European Union. The interview assesses the candidate's suitability in relation to the admission requirements of the study programme. Candidates will receive instructions at the contact email address they provided in their application for enrolment.
