Admission for the academic year 2026/2027

Student Office

University of Nova Gorica

How to start the process?

- ➤ Candidates apply at the eVS web portal: https://portal.evs.gov.si/prijava/
- ➤ After entering the application form, candidates need to select the Call for enrollment, type of application, personal data, details of achieved education qualifications and choose the desired study.
- ➤ All the supplemental documents that candidates already have should be attached to the application. The certificates that were not issued yet, can be attached to the application by the deadline.
- ➤ The application for enrollment and the related procedures will be made electronically via the eVŠ portal, including all the required supplemental documents and notification of selection.
- ➤ Higher education institutions must conduct a **direct interview** with any foreign citizen coming from a country with higher migration risk and whose citizens must have visas when crossing the external borders of the European Union. The interview assesses the candidate's suitability in relation to the admission requirements of the study programme. Candidates will receive instructions at the contact email address they provided in their application for enrolment.
