

Master`s degree and doctoral degree programme admission for the academic year 2022/2023

Student Office
University of Nova Gorica

How to apply?

- Candidates apply at the eVS web portal: <https://portal.evs.gov.si/prijava/>

The screenshot shows the eVS web portal interface. At the top, the browser address bar displays <https://portal.evs.gov.si/prijava/?lang=en>. The main header features the title "Enrolment application for study" and the eVS logo with the text "Visoka šolstva v Sloveniji". Below the header, there are navigation links: "CALLS FOR ENROLMENT", "INSTRUCTIONS FOR COMPLETING THE APPLICATION", and "FAQ". On the right side of the header, there are language options: "SLO" and "ENG".

The main content area is divided into two columns. The left column contains a sidebar with the following links: "How do I apply?", "Digital certificates", and "What will happen to my application?". The right column contains a large blue button labeled "Continue to login with SI-PASS". A large blue arrow points from this button towards the left. Below the button, there is a text box with the following content:

Enter the enrolment application by clicking the "Continue to login with SI-PASS" button above, which will redirect you to the authentication service.

SI-PASS enables different types of authentication:

- If you log in with a **username and password**, you will have to print the completed application form, sign it, and send it by registered mail to designated higher education institution together with all the supplemental documents within the application deadline set by the call for enrolment. The address will be indicated in the upper left corner of the printer application form.
- If you log in with an **electronic identity** issued in Slovenia (Digital certificate, ArnesAAL, One-Time-Password smsPASS) or Crossborder EU authentication, an electronic submission of the enrolment application is sufficient, and you do not need to send the printed form of the application by mail. However, you still have to send the supplemental documents, if the call for enrolment requires you to do so.

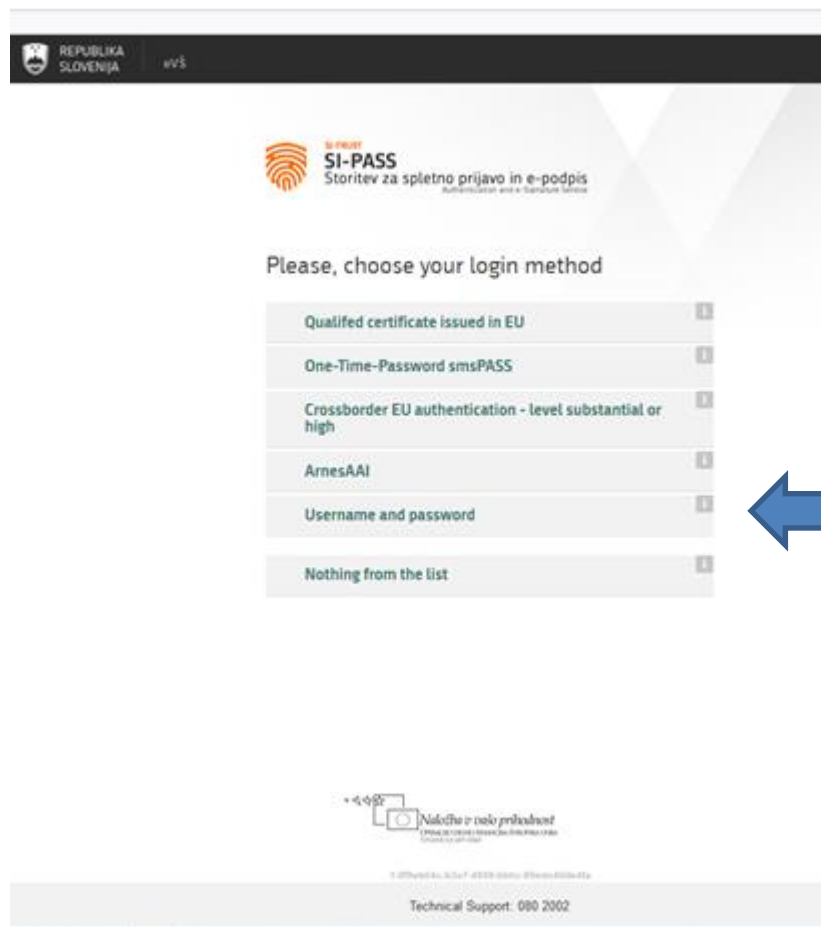

Before filling in the application you need to choose call for enrolment and type of application you will submit.

Link to instructions for filling in the application is at the top of this website.

At the bottom of the page, there is a footer with the text: "eVS - Version 1.11.34 (2020-02-11-09-14) © Ministry of Education, Science and Sport". On the right side of the footer, there is the logo of the Republic of Slovenia Ministry of Education, Science and Sport.

- Candidates register and apply with their username and password:

The screenshot shows the SI-PASS login interface. At the top, there is a header with the Republic of Slovenia logo and the text 'REPUBLIKA SLOVENIJA' and 'evl'. Below this, the SI-PASS logo is displayed with the text 'SI-PASS' and 'Storitev za spletno prijavo in e-podpis'. The main heading is 'Please, choose your login method'. There is a list of six login methods, each with a small icon to its right. A large blue arrow points to the 'Username and password' option. At the bottom, there is a footer with the text 'Naložite v našo prihodnost' and 'Technical Support: 080 2002'.
