

Bachelor`s degree programme admission for the academic year 2022/2023

Student Office
University of Nova Gorica

How to apply?

- Candidates apply at the eVS web portal: <https://portal.evs.gov.si/prijava/>

The screenshot shows the eVS web portal interface. The main heading is "Enrolment application for study" with the eVS logo and "Visoke šolstvo v Sloveniji" below it. Navigation links include "CALLS FOR ENROLMENT", "INSTRUCTIONS FOR COMPLETING THE APPLICATION", "FAQ", "SLO", and "ENG".

On the left, there are three menu items: "How do I apply?", "Digital certificates", and "What will happen to my application?".

The main content area features a prominent blue button labeled "Continue to login with SI-PASS", which is highlighted by a blue arrow. Below this button, there is a text box explaining the application process:

Enter the enrolment application by clicking the "Continue to login with SI-PASS" button above, which will redirect you to the authentication service.

SI-PASS enables different types of authentication.

- if you log in with a username and password, you will have to print the completed application form, sign it, and send it by registered mail to designated higher education institution together with all the supplemental documents within the application deadline set by the call for enrolment. The address will be indicated in the upper left corner of the printer application form.
- if you log in with an electronic identity issued in Slovenia (Digital certificate, AmesAAL, One-Time-Password smsPASS) or Crossborder EU authentication, an electronic submission of the enrolment application is sufficient, and you do not need to send the printed form of the application by mail. However, you still have to send the supplemental documents, if the call for enrolment requires you to do so.

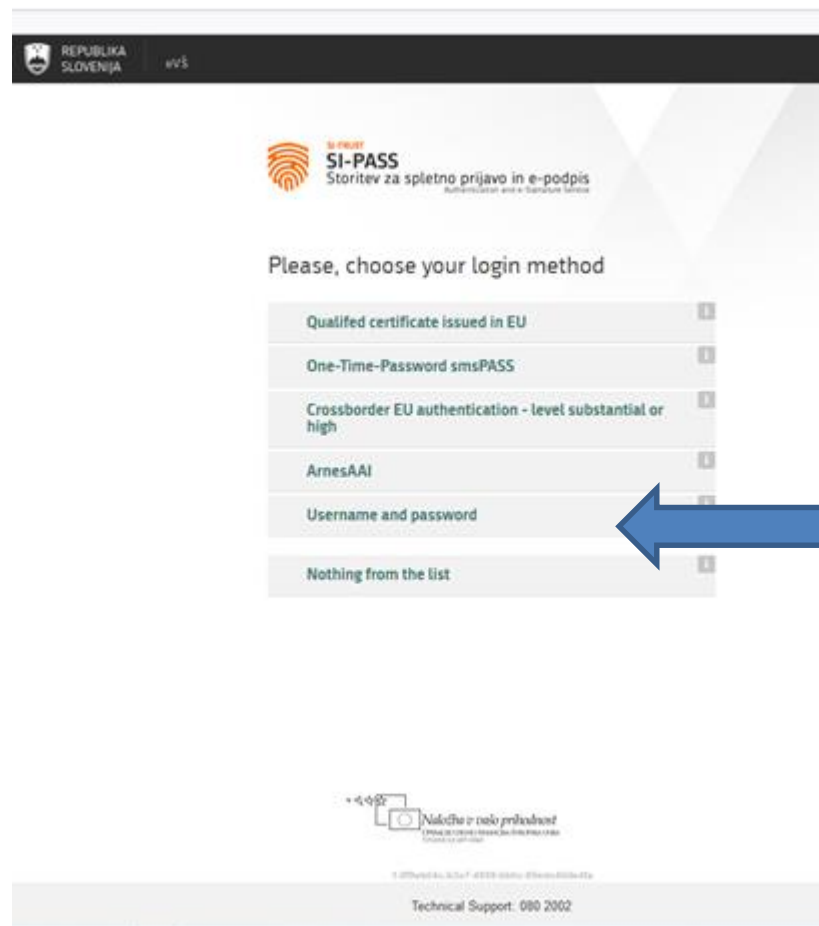

Before filing in the application you need to choose call for enrolment and type of application you will submit.

Link to instructions for filling in the application is at the top of this website.

At the bottom of the page, there is a footer with the text "eVS - Version 1.11.34 (2020-02-11-09-14) © Ministry of Education, Science and Sport" and the logo of the "REPUBLIC OF SLOVENIA MINISTRY OF EDUCATION, SCIENCE AND SPORT".

- Candidates register and apply with their username and password:

The screenshot shows the SI-PASS login interface. At the top left, there is a header for 'REPUBLIKA SLOVENIJA' with a logo and 'e-vS'. The main heading is 'SI-PASS' with the subtitle 'Storitev za spletno prijavo in e-podpis' and 'Authentication and e-Signature Service'. Below this, the instruction 'Please, choose your login method' is displayed. A list of login methods is provided, each with a small square icon to its right:

- Qualified certificate issued in EU
- One-Time-Password smsPASS
- Crossborder EU authentication - level substantial or high
- ArnesAAI
- Username and password
- Nothing from the list

A large blue arrow points to the 'Username and password' option. At the bottom of the page, there is a footer with the text 'Naloga in nalo prebrskanje' and 'Technical Support: 080 2002'.
