

Vipavska cesta 13, 5000 Nova Gorica

**The University of Nova Gorica has a vacancy for the position of**

**POST-DOCTORAL RESEARCHER IN EXPERIMENTAL LINGUISTICS/  
PSYCHOLINGUISTICS/COGNITIVE SCIENCE (m/f)**

We are looking for candidates interested in pursuing a rewarding research and academic career at the University of Nova Gorica. We offer a dynamic research environment supported by state-of-the-art research equipment and a pronounced international orientation.

The work will be conducted in the [Center for Cognitive Science of Language](#). The successful candidate will conduct experimental linguistics tasks within the Slovenian Research Agency project “Development of a standardized test of the sentence comprehension ability in Slovenian-speaking adults”, led by prof. dr. Arthur Stepanov. The candidate may be asked to take over moderate teaching obligations in the university's linguistics programs.

**To be considered for the position, candidates should have:**

- a PhD in linguistics or a related field (e.g. psychology, cognitive science, etc.),
- ability to work independently, as well as to work in a team taking on an active role in organizing and conducting behavioral experiments and in recruiting participants,
- a fluent command of Slovenian and English,
- a strong background in theoretically-grounded experimental linguistics, psycholinguistics or cognitive science, preferably with a focus on experimental syntax.

**Advantages:**

- proven research experience or an active research agenda that concerns the non-neurotypical use of language (e.g. aphasia, sign language),
- knowledge of up-to-date statistical methods of data analysis.

The successful candidate will be employed on a full-time basis for a fixed term of one year, with the possibility to renew for a second year. The expected start date is January 1, 2020 (earlier employment is possible if the successful candidate can start earlier).

**The following documents must be submitted:**

- certificate of education,
- a CV detailing previous research experience and reflecting the fulfilment of the above stated application requirements and, if applicable, advantages,

- a short research statement,
- list of publications,
- a copy of a representative publication,
- two letters of reference (submitted directly by the referees).

**The application deadline is October 25, 2019.**

Please send your application, along with the required supporting materials, to [tea.stibilj.nemec@ung.si](mailto:tea.stibilj.nemec@ung.si). The application should be sent as a single pdf e-mail attachment.

Inquiries regarding the application procedure should be directed to Tea Stibilj Nemec by email at [tea.stibilj.nemec@ung.si](mailto:tea.stibilj.nemec@ung.si) or by phone at +386 5 6205 822.

For additional information regarding the research tasks, please contact prof. Arthur Stepanov at [artur.stepanov@ung.si](mailto:artur.stepanov@ung.si).
