

Vipavska cesta 13, 5000 Nova Gorica

**The University of Nova Gorica has a vacancy for the position of
POST-DOCTORAL ASSISTANT or ASSISTANT PROFESSOR
IN THE FIELD OF OPEN EDUCATION (m/f)**

We are seeking candidates interested in pursuing a rewarding research and academic career at the [University of Nova Gorica](#). We offer a dynamic research environment with a focus on involvement in the international academic sphere.

The candidate will work at the [Centre for Information Technologies and Applied Mathematics](#) in an interdisciplinary research group that develops new approaches to modelling and applies them to a variety of fields, from education to biomedicine and industry. It also develops methods for intelligent data analysis and knowledge discovery.

The selected candidate will conduct research in the field of open education. Their appointment will also include teaching in the international master's programme Leadership in Open Education at the School of Engineering and Management.

Eligible candidates should have:

- a doctorate and scientific publications in the field of educational technologies or another relevant field,
- experience in development and research in the field of e-learning,
- a good command of English.

Priority will be given to candidates with experience in open education and candidates who hold the rank of assistant professor or equivalent, or who meet the conditions for holding the rank of assistant professor or equivalent.

Employment is offered at the location of the University of Nova Gorica in the Lanthieri Mansion, Vipava for full-time working hours over a fixed term of 12 months with possibility of contract extension. The preferred starting date is immediately after the closure of the procedure or by agreement.

The following must be attached to the application:

- curriculum vitae with description of prior research experience, relevant for the position (e-learning, open education pedagogy, open educational resources, modelling, knowledge technologies, etc.)
- list of scientific publications,
- motivational letter,
- contact information for references.

Online applications with proof of fulfilment of conditions will be accepted up to 25th February 2022 at tea.stibilj.nemec@ung.si. **Applications should be sent as a single PDF email attachment.**
