

Vipavska cesta 13, SI-5000 Nova Gorica,
Slovenia

The University of Nova Gorica has a vacancy for a

POST-DOCTORAL ASSOCIATE IN THE FIELD OF SLOVENE STUDIES AND LECTURER FOR SLOVENE LANGUAGE (m/f)

All candidates interested in the position of a post-doctoral associate and lecturer at the research-oriented [University of Nova Gorica](#) are welcome to apply. The work will be conducted at the [School of Humanities](#) and the [Center for Cognitive Science of Language](#) in a dynamic and interdisciplinary research environment with a pronounced international character.

In the position of postdoctoral associate in the field of Slovene studies, the selected candidate will be directly involved in the research work of the Center for Cognitive Science of Language within 50% of the working time.

In the position of lecturer for the Slovenian language, the selected candidate will, in accordance with the election, be involved in the teaching process in the undergraduate and master's study program [Cultural History](#) and [Slovenian Studies](#) of the Faculty of Humanities, within 50% of the working time.

Eligibility criteria:

- PhD degree,
- the title of an assistant and lecturer or the eligibility to obtain a relevant title,
- the ability to work independently,
- work experience gained after obtaining the PhD degree,
- good command of the English language.

The position shall be available immediately after the closing of the selection procedure. Employment is offered as a full-time position and for a period of 12 months.

Obligatory attachments:

- CV,
- evidence of meeting the eligibility criteria,
- scientific and professional bibliography,
- motivational letter,
- contacts of referees that can be contacted for references.

Send your application, along with the required supporting evidence of meeting the eligibility criteria, via e-mail by including 15th February 2023 to tea.stibilj.nemec@ung.si.

The application should be sent as a single pdf e-mail attachment.
