

Vipavska cesta 13, 5000 Nova Gorica

**The University of Nova Gorica has an open position for an  
Expert in the field of instrumental analysis (m/f)**

The successful candidate will perform professional and technical work whilst participating in research programs and projects as well as the teaching process, maintaining research and other equipment in the [Laboratory for environmental and life sciences](#).

To be considered for the position, candidates should:

- have a higher professional education or University degree,
- have knowledge of analytical instrumentation and have experience in development of analytical methods and their validation,
- be independent, adaptable to working in interdisciplinary groups, be accurate and reliable,
- have proficient knowledge of English, capable of communication in English and proficient in the use of English professional terminology,
- have previous experience in a similar role (desirable).

The following must be attached to the application:

- curriculum vitae,
- proof of educational qualifications.

Applications must be submitted by 24 April 2023. The successful candidate will be expected to start work as soon as possible after the selection process has been completed. Employment is offered for full-time working hours over a fixed term of one year, with the possibility of extension.

Please send your application, along with proof that you meet the requirements for the post to [careers@ung.si](mailto:careers@ung.si).

**The application should be sent as a single PDF e-mail attachment.**
