

Vipavska cesta 13, 5000 Nova Gorica

The University of Nova Gorica has a vacancy for the position of

RESEARCH FELLOW RESEARCHER IN THE FIELD OF HUMANITIES (m/f)

We are seeking candidates interested in working as a postdoctoral researcher at the highly research-oriented [University of Nova Gorica](https://www.ung.si). The successful candidate will work in a dynamic and interdisciplinary environment, supported by the latest research equipment and including direct involvement in the international research arena.

The research work will be carried out as part of the Sustainable Digital Preservation of the Slovenian New Media Art project (<https://digitalna-hramba.mg-lj.si>).

Eligible candidates should have:

- PhD in theory and history of media art, digital humanities, or related fields,
- the ability to work independently,
- good orientation in the wider field of humanities and social sciences,
- good communication and organizational skills, project work skills,
- good language (written and spoken) skills of academic and professional expression in English and Slovenian (optional, highly preferred), mastery of an appropriate set of digital tools and work environments.

The start of work is planned immediately after the end of the selection process. The employment is part-time (50%), for a fixed period until 31 October 2024.

The application should include:

- CV, a copy of degree certificate or other relevant documents,
- motivation letter with a description of previous work experience and achievements,
- scientific and professional bibliography, possible artistic achievements.

Applications with proof of fulfilment of conditions will be accepted up to **9th February 2024**, via e-mail to careers@ung.si. **Applications should be sent as a single email attachment, in PDF format.**
