

Vipavska cesta 13, 5000 Nova Gorica

**The University of Nova Gorica has an open position for**

**RESEARCH ASSISTANT or RESEARCH ASSOCIATE / ASSISTANT  
PROFESSOR in the field of environmental chemistry and ecotoxicology  
(m/f/o)**

**This position is available to candidates interested in pursuing a research and academic career at the University of Nova Gorica. We offer the opportunity to work in a dynamic environment supported by state-of-the-art research equipment and a strong involvement in international research.**

Research activities will take place at the Laboratory for Environmental and Life Sciences. We seek a candidate capable of working independently, with a clear vision of their future research direction.

In accordance with their appointment, the successful candidate will also take on teaching duties in the fields of Environmental monitoring and/or Ecotoxicology within study programs at the University of Nova Gorica.

The position will be available as soon as the selection process is completed. The contract is for full-time working hours over a fixed term of 12 months.

**Candidates are expected to:**

- have a PhD degree in the field of Chemistry, Biology, environmental science or related fields,
- requirements for election to the title of assistant or assistant professor at the University of Nova Gorica,
- ability to work independently,
- have a theoretical background and work experience which cover one or more of the following fields: health effects and toxicology of environmental pollutants, ecotoxicological studies on test organisms, biomonitoring or other pertinent topic in environmental science - which shall be reflected in candidate's bibliography with an adequate number of original scientific papers in international journals,
- have good command of the English language,
- preferentially have research experience abroad (1 year or longer).

**Please submit:**

- CV, with certificates of academic degrees obtained,
- letter of motivation including a description of previous research experience,
- list of the candidate's scholarly and research publications.

Applications should be sent by e-mail as a **single file in pdf format** to the University of Nova Gorica Personnel office, e-mail address: [careers@ung.si](mailto:careers@ung.si)

Deadline for applications: **30. 9. 2024**
