

Dragi študenti in študentke,

vse zainteresirane kandidate za mobilnost vabimo na informativni sestanek ob objavi razpisa za Erasmus+ mobilnost, na katerem boste prejeli ključne informacije o prijavi na mobilnost za študij in prakso ter odgovore na svoja vprašanja.

Na sestanku bosta prisotna tudi študenta UNG Nicoleta Nour in Jakob Stanič, ki sta se pravkar vrnila z Erasmus+ mobilnosti.

Ker se bo ob prijavi ocenjevalo tudi motivacijsko pismo, bo Nicoleta predstavila, *kako napisati res dobro motivacijsko pismo*, Jakob pa bo predstavil svojo izkušnjo mobilnosti ter vam na voljo za vprašanja v zvezi z Erasmus+ izmenjavo.

Dear Students,

we invite all interested candidates to attend an information session held upon the publication of the Erasmus+ mobility call, where you will receive key information about applying for mobility for study and traineeships, as well as answers to your questions.

Two UNG students, Nicoleta Nour and Jakob Stanič, who have just returned from their Erasmus+ mobility, will also be present at the meeting.

Since the motivation letter will also be assessed as part of the application, Nicoleta will give a presentation on *how to write a really strong motivation letter*, while Jakob will share his mobility experience and be available to answer any questions you may have related to the Erasmus+ exchange.
